

Continental™

940L

The Continental™ 940 litre offers the perfect medium sized solution for your waste containment needs in compact footprint where access may be an issue and space is limited.

Product Image & Key Features

- 
- A silver, rectangular waste bin with a black lid, mounted on four castors. Red lines point from various features to the list on either side.
- Optional Double skinned UV resistant rotary-moulded lid. Available in black
 - Facility for ID chip in frontal receiver to EN 14803
 - Comb lifting bar (frontal receiver) to EN 840-2
 - Rigid steel construction helps to contain a fire improving safety for residents
 - Sump base for improved rigidity and stability
 - Drain plug
 - Recessed handles available reducing overall width (see technical drawing)
 - Zinc galvanised steel
 - Shape reduces over spill when in waste chutes
 - Steel centred castors manufactured to Taylor's specification
