SPECIFICATION

IEG products are covered with a **12 Month Guarantee**, so you can rely on us to maintain hygienic and sustainable community & commercial spaces.

Standard Spec

Rotationally moulded from UV-stabilised LMDPE

Double-walled

Oil, chemical and frost resistant

100% Recyclable

5 hinge lugs per lid for extra strength

11 ribs per lid and 'kiss off' areas for maximum strength

Can be personalised with a custom name plate

Due to bulk and weight, lid is invariably used with spring system

Nestable design for cost-effective freight

Optional Extras

Available as overlapping and watertight split pair (AM3463MM+SM pair)

Spring kit to facilitate opening of lid

Available in Black and a wide variety of colours

Meet your sustainability goals, partner with IEG

The details provided in our specification sheets are for your general information and use only. They are subject to change due to the continual design and build development.
