

Specification

Our APK E55 Fully Automatic Baling Press is ideal for those seeking to minimise the space taken up by waste products and make it more manageable.

With fast cycle time, large loading aperture, heavy duty compaction and low noise levels, our APK E55 Fully Automatic Baling Press is also the perfect choice for those keen to reap the benefits of recycling whether improving your carbon footprint or receiving payment for any recycled materials. The balers are easy to operate, safe to use and backed by a network of our own engineers to ensure maximum reliability.

IEG products are also covered with a **12 Month Warranty**, so you can rely on us to maintain hygienic and sustainable community & commercial spaces.
