

Specification

Our CP10 portable compactors are suitable for general waste, where environmental and hygiene requirements demand a sealed unit or where space is at a premium.

With leak resistant seals, fast cycle time, high volume charge box, our portable waste compactors are the perfect choice to minimise your waste costs.

Available in a range of colours, with clear operating instructions and health and safety stickers as standard. Easy to operate, safe to use and backed by a network of our own engineers to ensure maximum reliability.

IEG products are also covered with a **12 Month Warranty**, so you can rely on us to maintain hygienic and sustainable community & commercial spaces.
