CS3 STATIC WASTE COMPACTOR

with Enclosed hopper

Scan me to find out more

Specification

Our CS3 static compactors are mainly used for dry general waste i.e. general office waste, broken pallets, furniture, window frames, textiles, etc.

With fast cycle time, high volume charge box, heavy duty compaction and low noise levels, our static waste compactors are the perfect choice to minimise your waste costs. Available in a range of colours, with clear operating instructions and health and safety stickers as standard. Easy to operate, safe to use and backed by a network of our own engineers to ensure maximum reliability.

IEG products are also covered with a **12 Month Warranty**, so you can rely on us to maintain hygienic and sustainable community & commercial spaces.
