Free-Standing Comb Bin Lift

Scan me to find out more

Specification

Our Free-Standing Comb Bin Lift is ideal for those seeking adapt existing waste compaction machinery to accept heavy bins or for use with an open container.

With fast lifting time and low noise levels, our Free-Standing Comb Bin Lift is also designed to lift a wide array of different types of bins.

The bin lifts are easy to operate, safe to use and backed by a network of our own engineers to ensure maximum reliability

IEG products are also covered with a **12 Month Warranty**, so you can rely on us to maintain hygienic and sustainable community & commercial spaces.
